

FREE Seminar “Cleaner Production in Fashion & Textiles Industry”

In recent years, the increasing demands on green fashion and revised environmental policies in Mainland China have motivated Hong Kong manufacturers to implement sustainability practices in their Guangdong factories. Meanwhile, due to lack of funding and technologies, some factories are facing difficulties in implementation of cleaner production. With the funding support of “Cleaner Production Partnership Programme”, Knitwear Innovation and Design Society (KIDS) and Clothing Industry Training Authority (CITA) co-organise this seminar so as to introduce up-to-date technologies and application tools for implementation of cleaner production. Seminar details are as below:

Date: 16 November 2018 (Friday)
Time: 2:30 p.m. – 5:00 p.m. (registration starts at 2:00 p.m.)
