The Hong Kong Green Organisation Certification (HKGOC) is organised by the **Environmental Campaign Committee** together with the **Environmental Protection Department** and main chambers of commerce in Hong Kong. The HKGOC aims to benchmark organisations in green management, to encourage participating organisations in adopting environmental practices in different aspects and to recognise their efforts and commitments to the environment. The HKGOC consists of five Certificates, namely “**Hong Kong Green Organisation**”, “**Wastewi\$e Certificate**”, “**Energywi\$e Certificate**”, “**IAQwi\$e Certificate**” and “**Carbon Reduction Certificate**”.

香港綠色機構認證由**環境運動委員會**聯同**環境保護署**及香港主要商會合辦，旨在為機構在綠色管理上訂定基準，鼓勵參加機構在不同範疇實施環保措施及表揚他們在環保方面所作出的貢獻及承諾。「香港綠色機構認證」包括五個項目，分別為「**香港綠色機構**」、「**減廢證書**」、「**節能證書**」、「**清新室內空氣證書**」及「**減碳證書**」。
